5. Fill fuel tank.

***Rates are estimated costs. Actual rates depend on type of motor, labor plus oil, filters and supplies used for winterization. Does not include fuel charges. We recommend filling your fuel tank to prevent moisture problems.**

IMPORTANT: All engine drain plugs on inboards/sterndrives, hull drain plugs and clamps will be placed in a storage bag and attached to the steering wheel of your watercraft. Plugs must be reinstalled before use or engine damage can occur. De-winterization of your boat will be necessary in the spring and is not included in the above packages. Woodland Resort and Marine assumes no responsibility for damage to boats de-winterized by owners or others. Call in early spring to schedule a de-winterization service.

Woodland Marine's storage season begins September 1st and ends May 15th. Storage must be paid in full before contract is accepted. Acceptance of this contract does not guarantee future storage space. LESSEE will need to call and set up and appointment prior to getting property out of storage. Property remaining after May 15th will be subject to summer storage fees.

All personal property stored on the premises by LESSEE shall be at LESSEE's sole risk! LESSOR and LESSOR's employees shall not be liable to LESSEE for any damage to, or loss of, any personal property while at the premises arising from any cause whatsoever including, but not limited to, burglary, fire, water damage, mysterious disappearance, rodents, acts of God, or the active or passive acts or omissions or negligence of LESSOR or LESSOR employees. LESSEE will indemnify, hold harmless, and defend LESSOR and LESSOR's employees from all claims, demands, actions or causes of action (including attorneys' fees and all costs) that are brought by others arising our LESSEE's use of the premises.
